

# LORD GOD OF MORNING AND OF NIGHT

FULDA  
FRANCES TURNER PALMGRAVE

1 Lord God of morn - ing and of night,  
2 Fresh hopes have wak - ened in the heart,  
3 O Lord of light, your love a - lone  
4 Praise God, our mak - er and our friend;

We thank you for your gifts of light;  
Fresh force to do our dai - ly part;  
Can make our hu - man hearts your own.  
Praise him through time, till time shall end;

As in the dawn the sha - dows fly,  
In peace - ful sleep our strength re - store,  
Be ev - er with us, Lord, that we  
Till psalm and song his name a - dore,

We seem to find you now more nigh.  
Through out the day to serve you more.  
Your bless - ed face one day may see.  
Through heav'n's great day of ev - er - more.
